

**4th Annual Airports Conference
plus an
Airport Environmental Workshop
October 21-23, 2018**

**Crowne Plaza O'Hare Hotel
Rosemont, IL**

Plan to join with us once again for this expanded opportunity to share experiences with your airport certification, operations, maintenance, engineering and planning colleagues from all parts of the Midwest.

Interact with the FAA Great Lakes Region Airports District Office staff who will keep you up to date on the latest issues, concerns, recommendations and requirements concerning the safe and efficient operation, growth and development of your airport.

Hear presentations from your peers from around the country regarding their experience and methods of dealing with an expanded presentation of airport issues.

Visit with exhibitors representing all facets of airfield and building maintenance and see the latest equipment available to make your work easier and more efficient at the O'Hare equipment show. Shuttle transportation provided by Chicago Dept. of Aviation.

This year's hotel and registration rates are as follows:

Our room block rate is \$135.00.

Conference registration has been adjusted to as follows:

Half day Airport Environmental Workshop only - \$ 300.

Two day Airports Conference only - \$ 450.

Attend both the Environmental Workshop and the Airports Conference only - \$ 650.

Free Crown Plaza Hotel shuttle service to/from the hotel to O'Hare Int'l Airport.

For more information contact Mike A. Daigle, AAE at mdaigle@sbnair.com or 574/337-5793.

Registration materials are now available.
